ABOUT OUR INTERIOR DESIGN SERVICE

As one of the most accessible interior design/furnishing service, your transformation journey will begin with a visit to our central location where you will be greeted by a senior member of our experienced Interior Design team who will assist you in achieving your home restructuring and furnishing dreams.

Once we understand your objectives, a home visit will be scheduled to gain specific information before the exciting creative process can begin.

As with conventional Interior Design companies we will produce 2D and 3D CAD drawings, 3D Motion visuals, mood boards and photo realistic renders but this is where the similarities end and the unique Living Space & Partners timeless aesthetic is achieved. Your designs will be built with luxury products selected from our very own exclusive luxury finishing collection, compiled from the latest creations premier contemporary brands and featuring many products unobtainable elsewhere in Nigeria.

Whether you are seeking solutions for lounge room storage renovation or looking to furnish an entire property, our professionals will take care of your every need and work to your budget.
